The GREENGUARD Certification Program gives assurance that products designed for use in indoor spaces meet strict chemical emission limits, which create healthier interiors. The certification qualifies for LEED credits and IGBC credits.

In keeping with the Godrej policy of continuous development and improvement, the design, dimension and specification may be updated without prior notice or obligations. Form, Colour and Finish of product in this document are representative of design intent and may vary from actual. Colour options depicted in this catalogue are as close to what modern printing processes allow. All dimensions are in 'cm' and are subject to commercial tolerance. Our products are meant for indoor use only.
